SHOCKING REVELATION IN ASTORIA...

ELSA SECRETLY BUYS DAVID A COMPUTER

“I know that he can’t afford his own computer, and he’s such a nice guy, so I decided to start him off with the gift of a printer. It’s an excellent model - the same one I use at home. Who knows what will be next, or where this will lead to. This is off the record – isn’t it?”

Sure thing.
